Visit Central Public Procurement Portal

The screenshot displays the Central Public Procurement Portal (eProcure.gov.in/cppp/). The header includes the Government of India emblem, the portal name, and a search bar. The main navigation menu contains links for About, OMs/GOs/Others, Search a Tender, Dashboard, Related Links, Debarment/Grievances, Help, Contact Us, Sitemap, and a Select Portal dropdown. A sidebar on the left features icons for home, search, and other functions. The central banner highlights 'Security Features' with nine numbered points:

1. Encryption of Technical and Financial separately using PKI Technology at client end
2. Two factor authentication with Digital Signing of all documents
3. Role based access, configurable on the fly
4. Data Secured on transit using SSL, Secured Hosting with ISO 27001
5. Usage of legally valid class of Digital Signature Certificates as per ITAct 2000
6. Periodic Security Audit Certification from STQC
7. Secured Log shipping with archival
8. CRL Verification and its updation with all CA under CCA India
9. Use of Network Time Protocol to synchronize transaction clock

At the bottom, four statistics are displayed:

- 39317 Active Tenders
- 4043 Tenders Opening Today
- 4955 Tenders Closing Today
- 729 No. of Organisations

Visit Central Public Procurement Portal:

Enrollment Confirmation

The screenshot displays the 'Government eProcurement System' dashboard for a user named 'Private Limited'. The header includes the system logo, a map of India, and user details: 'Welcome : [redacted]@gmail.com' and 'Last login : 28-Jan-2020 01:59 PM'. The server time is '28-Jan-2020 14:50:40'. Navigation links for 'Home' and 'Logout' are present. The main content area, titled 'DASHBOARD', welcomes the user and explains the need to update mobile and email details for SMS alerts. It lists benefits like user enrollment, tender events, and bid submissions. Below this, there are input fields for 'Mobile Number' (with a country code dropdown set to 'IND (91)') and 'E-Mail Address' (pre-filled with '@gmail.com'). A 'Save' button is located at the bottom right of the form. A disclaimer states that an OTP will be sent via SMS or email upon saving, and users should recheck details if they don't receive it on time.

eProcurement System Government of India

DASHBOARD

Welcome [redacted] Private Limited,

Roles : Tenderer

In order to enable International SMS alerts facility, the eProcurement Application requires all the users to update their Mobile Number along with the Country Code.

In addition, the users are also required to update their email address

This is a one-time updation only. The benefits for the users include receipt of mobile and email alerts to the events such as;

- User Enrollment / Registration
- Tender related events
- Bid submission events
- Block / Debarred Notification

Mobile Number: * IND (91) [redacted]

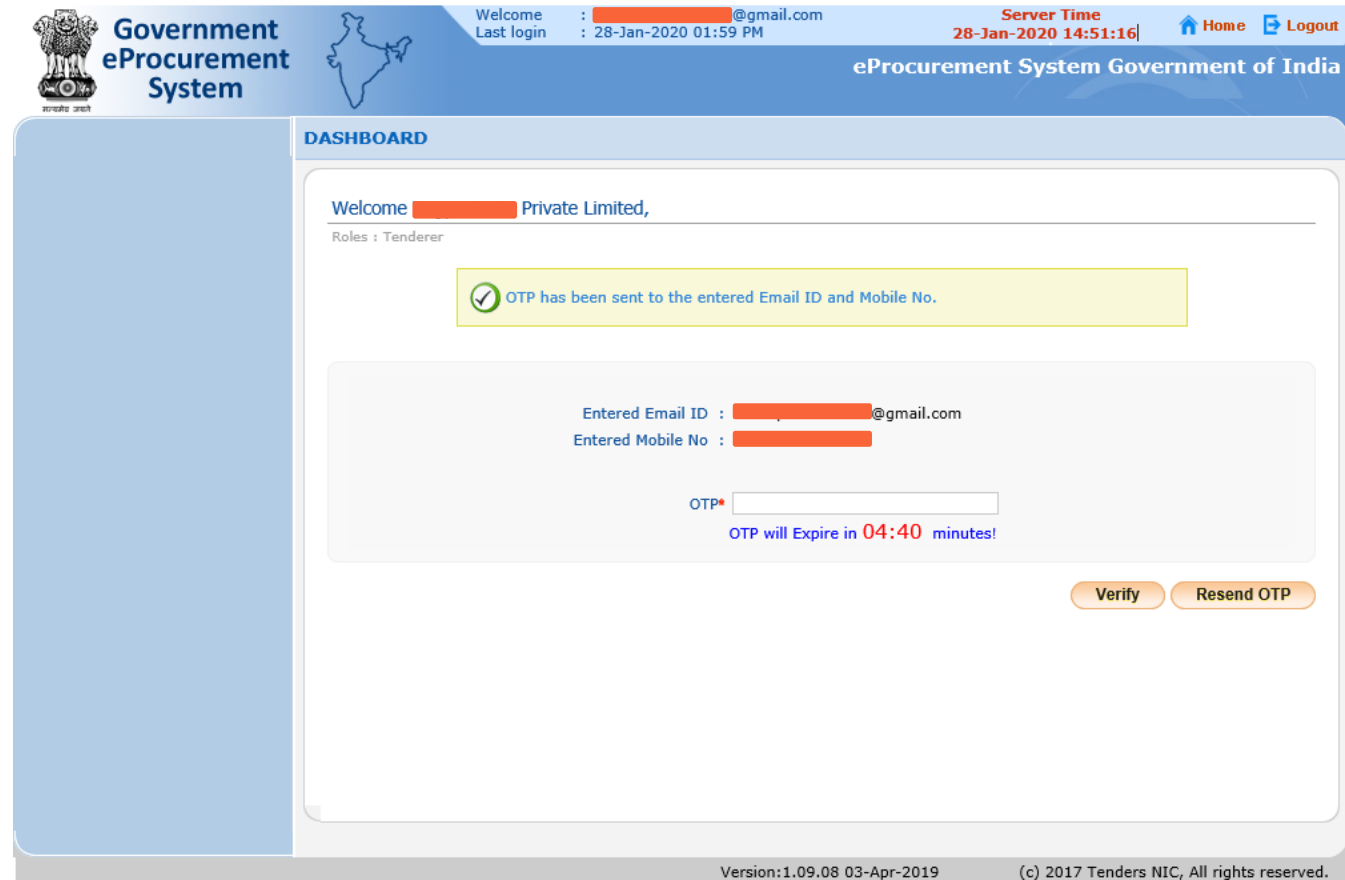

E-Mail Address: * [redacted]@gmail.com

By clicking on "Save" button, you would receive an OTP by SMS / e-mail on above number / e-mail within 10 seconds. If you have not received the messages on time, please recheck your details or contact help desk.

Save
