

Department of Promotion of Industry and Internal Trade

Startup India

Minutes of the 74th IMB Meeting

The 74th meeting of the Inter-Ministerial Board (IMB) was held on 04.03.2024 at 12 noon at Vanijya Bhawan, New Delhi. The meeting was chaired by Shri Sanjiv, Joint Secretary, Department for Promotion of Industry and Internal Trade. Dr Abhishek Kumar Mehta, Department of Biotechnology; Dr Sapna Kaushik and Dr Praveen Roy, Department of Science and Technology were present.

The Startup India team briefed the IMB members regarding the self-regulated process that was approved as a part of the 73rd IMB Meeting for the assessment of the 80-IAC applications received from startups. The challenges and the inputs from the consultation meeting with the Department of Revenue were discussed.

The IMB members deliberated on various parameters to be considered for the time of evaluation of the 80-IAC applications. It was decided that the Startup India Team will be evaluating the cases for the following parameters before presenting to the IMB:

1. That the applicant entity is a DPIIT Recognised Startup.
2. That the applicant startup is either a Private Limited Company or a Limited Liability Partnership.
3. That the applicant startup has been incorporated on or after 1st April 2016.
4. That the applicant startup has submitted a complete application as per Form 1 of the G.S.R. 127 (E).
5. That the applicant startup has not been formed out of reconstruction or splitting up of a business already in existence, as per the details submitted in the application.

In addition to the above parameters, Startup India Team will further evaluate the applications with regard to grant of other DPIIT benefits, namely the Startup India Seed Fund Scheme, tax exemption under Section 56(2)(viib), National Startup Awards or grant of patent or any other notable recognition as an additional and precautionary due diligence.

Representatives from the Department of Science and Technology and the Department of Biotechnology expressed their support to DPIIT for the above process to expedite the disposal of cases and facilitate the issuance of eligibility certificates to the deserving startups, thus enabling them to avail the associated benefits.

Startup India Team presented 1238 applications of startup (received till 31st December 2023) which were evaluated as per the above-mentioned process. The applications were segregated as Beneficiary Startups, Patent granted startups, plausible reconstructed or traditional business startups and others, for ease and convenience for further assessment by the IMB members.

The members deliberated upon the process for evaluating the applications during the following weeks and decided to approve 70 cases. The remaining applications were deferred and will be returned to the applicant seeking more information and clarification on the below listed aspects. The clarification will be

required to be signed by the Directors/ Partners of the Startups which will be validated and certified by an authorized Chartered Accountant:

- A. If the entity is formed out of reconstruction or splitting up; and
- B. Details of proof of innovation/ scalability/ improvement/ wealth creation or employment generation.

The list of the startups with their respective status is attached as Annexure.

The IMB also decided to convene the IMB Meetings monthly on 4th Wednesday of every month at 11 AM to expedite the disposal of cases.

Annexure: List of Cases for 74th IMB Meeting
